DETAILED ACTION

1. This application has been reviewed. Original claims 1-27 are pending. The rejection cited stated below.

Claim Objections

2. Claims 1, 10, 16 and 23 are objected to because of the following informalities:
Claims 1, 10, 16 and 23 contain the term "substantially"

The term "substantially" in claims 1, 10, 16 and 23 is a relative term which renders the claim s 1, 10, 16 and 23 claim indefinite. The term substantially is not defined by the claim, the specification does not provide a standard for ascertaining the requisite degree, and one of ordinary skill in the art would not be reasonably apprised of the scope of the invention. Appropriate correction is required.

3. This application is in condition for allowance except for the following formal matters:

The term "substantially" in claim s 1, 10, 16 and 23 is a relative term which renders the claim indefinite. The term substantially is not defined by the claim, the specification does not provide a standard for ascertaining the requisite degree, and one of ordinary skill in the art would not be reasonably apprised of the scope of the invention.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 25 USPQ 74, 453 O.G. 213, (Comm'r Pat. 1935).

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
